Tours Inside Mid-Continent's Best Restorations

Mid-Continent Railway Museum has a nationally-renowned, award-winning wooden car restoration program. While all museum visitors are able to see the beautiful restorations from the Coach Shed viewing platforms alongside the cars, much of the fine craftsmanship can only be fully appreciated from within the railcars. For one weekend only, museum visitors will have an opportunity to do just that.

Guided tours will be available from 10 am to 4 pm on Saturday and Sunday. A tour ticket will allow you to see the inside of several exquisitely restored railcars that are typically not open for viewing. You tour at your own pace, and inside each car, knowledgeable restoration volunteers will be on hand to answer your questions.
